

## Western Avenue Construction Update

### Western Avenue Bridge over the Chicago River

This notification is to advise local residents of night work planned for Thursday, August 4<sup>th</sup> on Western Avenue Bridge over the Chicago River.

Due to high daytime temperatures, the first stage of the bridge deck over the Chicago River must be poured overnight. This work is expected to begin at 9 PM on Thursday, August 4<sup>th</sup>, and extend to 6 AM Friday, August 5<sup>th</sup>. In case of rain, Friday night will be used as an alternative to this work.

During this time traffic will be reduced to one lane across the river bridge. Flaggers will be maintaining traffic flow on Western Avenue while this work is taking place.
