

32ND WARD

2019 BLOCK PARTY APPLICATION

Thank you for your interest in holding a Block Party this summer. Neighborhood Block Parties are a terrific way to strengthen our community and enjoy the great weather that summer brings.

Enclosed you will find the following forms:

- Letter from Alderman Scott Waguespack
- Application for a permit to hold a Block Party
- Mounted Police and Canine Unit
- Chicago Fire Department Fire Truck Request Form
- Petition for first-time block parties
- Jumping Jack Request Information

If this is the first time your block has held a party or you have not held one in the past two years, we ask that you circulate a petition among your neighbors demonstrating support for the event (attached). Once the petition is complete, please return it our office with your completed Block Party Permit Application. If you have held a Block Party in the past you do not need complete the petition.

Please take into consideration that these street closures are permitted **once yearly per block**. We also ask that block parties not be held during Cubs or festival weekends whenever possible, especially for those blocks in close proximity to Wrigley Field and festival grounds. Schedules of Cubs games can be obtained at www.cubs.com and information regarding street festivals will be posted on the 32nd Ward website at www.ward32.org.

Please return the completed Permit Application and petition (if necessary) to the 32nd Ward office no later than 15 days prior to the event. Our office may provide No Parking signs if needed. **Please call to request the No Parking signs prior to pick up.** It is helpful if organizers notify neighbors by leaving flyers on cars on the block in advance of the party.

Barricades and a popcorn machine are available on a first-come first-served basis. Please confirm with the 32nd Ward office regarding availability. You will need to arrange pick-up and drop-off of these items.

You may fax the completed Fire Truck Request directly to the Chicago Fire Department or submit it to the 32nd Ward office. The Police Department may also be able to provide a canine unit or mounted police for your event. Please let us know if you would like for the Alderman to make a request for either. As other priorities may arise for the canine unit and mounted police, we cannot guarantee their presence even if they have confirmed their attendance.

Please send your Jumping Jack application directly to the Mayor's Office of Special Events. That office will contact organizers in regards to their availability. You must apply online by going to <https://www.cityofchicago.org/city/en/depts/dca/jumping-jack.html>.

Please provide us with your email address so that we can send your permit to you electronically.

If you have any questions or concerns, contact the 32nd Ward office at (773) 248-1330.

Dear Neighbors,

The summer season is upon us and many of you are making plans to enjoy the beautiful weather. I am extremely glad that you are taking the initiative to organize a Block Party. It is the perfect way to appreciate the outdoors, socialize with neighbors and unify our community.

That being said, I would like to ask you to ensure that the Block Party is organized in a manner so that all of your neighbors' concerns are taken into account, including those who choose not to participate. Even though the city gives little official guidance for these events, there are a few key issues that I would like you to consider while planning and having your Block Party:

- Please notify all your neighbors several days prior to the party by leaving fliers at each home on the block, specifying street closure times and the organizer's contact information. You should also flier cars which are parked on the street.
- Maintain a 10 foot fire lane throughout the whole length of the block during the party. Any barricades or vehicles used to block the street must be kept out of the fire lane as well.
- Remember that you may not start the party or close off the street earlier than the time stated on your permit.
- The street has to be open and completely cleared by the expiration time stated on your permit. All garbage should be collected and the street returned to its original condition by the expiration of the street closure.
- You may not sell anything or charge admission to the Block Party. Neighbors are free to make donations, or bring food or other items. However, you may not exclude anyone who chooses not to contribute.
- Chicago law prohibits the consumption of alcohol in the public way and larger special events have to go through a detailed application process to allow for the presence of alcohol on public streets. As there are no direct guidelines with regard to block parties, I request that organizers of the event use their best judgment when alcohol is served. There should always be two designated adults who do not consume any alcohol throughout the party. Furthermore, possession and consumption of alcohol by and intoxication of those less than 21 years of age will not be tolerated.
- Neighbors are encouraged to call police and notify my office if a party gets out of control, an incident develops or they have a safety concern.

Compliance with these guidelines should help make your event safe and enjoyable for everyone. As always, do not hesitate to call my office with any questions or concerns. Have a wonderful summer!

Yours very truly,

Scott Waguespack
